Google Earth KML: James Joyce's "A Portrait of....."

Download
Google Earth (Free)

[Return to Earth Gallery](#)

Author: [David Herring](#)

"A Portrait of the Artist as a Young Man" is one of author James Joyce's most famous works. By using Google Earth, David Herring from the Google Earth Education Community has told Joyce's story geographically by showing the places in the novel. This KML is a prime example of enhancing information through geography.
